

Dear Patients, Families and Friends of the IWMF Waldenstrom's Dallas Area Support Group,

We are very fortunate to have Dr. Jorge Castillo as our guest speaker on June 17, 2017. There is so much happening between research and new Waldenstrom's treatments, the timing couldn't be better.

Please save the date which will be held on **Saturday, June 17 at 10:00 a.m. at the Hunt auditorium, 10th FL of the Sammons Cancer Center, Dallas, TX.** Parking is available in two primary locations; one is directly beneath the Sammons Cancer Center, the other is Garage 4, which is adjacent to the Cancer Center.

Dr. Castillo is an internationally known Waldenstrom's clinician at the Bing Center for Waldenstrom's macroglobulinemia and global speaker on this disease.
